

A night of Music & Design

Wednesday, March 14

Musical performance + talk on ecological design

WHERE: Click Workspace
9 1/2 Market St.
Northampton, MA

WHEN: March 14, 2018
6-8:30pm

6-7pm Musical Performance Ben Cosgrove

Artist-in-Residence, the National Park Service's New England Trail.

Ben is a traveling composer-performer whose music explores themes of landscape, place, and environment in North America. Ben has performed in 48 states and held artist residencies and fellowships with institutions including the National Park Service, the National Forest Service, Harvard University, Middlebury College, the Schmidt Ocean Institute, and the Sitka Center for Art & Ecology. His nonfiction has appeared in Orion, Taproot, Northern Woodlands, Appalachia, and other publications.

7-8:30pm Talk, Ecological Design Theresa Sprague

Owner of BlueFlax Design LLC
Conway School Alum & Board Member

Theresa Sprague '08 will give a talk on ecological landscape design at the site scale. Theresa's practice merges science with the fine art of landscape design to create beautiful, ecologically sound, and sustainable landscapes. Her specialties include ecological restoration, design with native species and native plant communities, invasive plant management, and coastal landscapes. She is the President of the Ecological Landscape Alliance and a Board Member of the Conway School.
